

State of Wisconsin COVID-19 Response

Situation to Date
12 APRIL – 0700-1900

Confirmed COVID-19 Cases

As of 2 PM CDT 4/12/20

3341 Positive Cases

Map produced by Wisconsin Emergency Management
Data provided by Wisconsin Department of Health Services

Source: Wisconsin DHS - <https://www.dhs.wisconsin.gov/outbreaks/index.htm>

Summary

The SEOC remains elevated to a Level 1 activation and continues with 24 hour operations.

Governor Evers press releases and media briefings related to statewide mandates:

April 12, 2020

- None

Case numbers

	Globally (Data from WHO)	United States (Data from CDC*+)	Wisconsin (Data from DHS)
Confirmed Cases	1,696,588	525,704	3,341
Negative Test Result	--	--	35,916
Hospitalizations	--	--	974 (29%)
Deaths	105,952	20,486	144

* Data includes both confirmed and presumptive positive cases of COVID-19 reported to CDC or tested at CDC since January 21, 2020, with the exception of testing results for persons repatriated to the United States from Wuhan, China and Japan. State and local public health departments are now testing and publicly reporting their cases. In the event of a discrepancy between CDC cases and cases reported by state and local public health officials, data reported by states should be considered the most up to date.

+ Numbers updated Saturday and Sunday are not confirmed by state and territorial health departments. These numbers will be modified when numbers are updated on Monday.

Cases in the United States Reported to the CDC, by Source of Exposure*+

	Confirmed
Travel-related	2,138
Close Contact	10,956
Under Investigation	446,071
Total Cases	459,165

* **This data for CDC is only updated Monday-Friday.** Data includes both confirmed and presumptive positive cases of COVID-19 reported to CDC or tested at CDC since January 21, 2020, with the exception of testing results for persons repatriated to the United States from Wuhan, China and Japan. State and local public health departments are now testing and publicly reporting their cases. In the event of a discrepancy between CDC cases and cases reported by state and local public health officials, data reported by states should be considered the most up to date.

+ CDC is no longer reporting the number of persons under investigation (PUIs) that have been tested, as well as PUIs that have tested negative. Now that states are testing and reporting their own results, CDC's numbers are not representative all of testing being done nationwide.

Open Requests for Assistance/Updates

Resource Request Follow-Up

Operations is working very diligently to respond as quickly as possible to very urgent non-PPE needs. If there is PPE available for distribution, you will be notified. Every new request that is entered into WebEOC is burying original requests for critical resources right now that we might be able to source.

If you have questions about where a resource request is or need a status update:

- Please provide Operations with the Resource Request number assigned to it in WebEOC. This allows for faster follow-up.
- Check WebEOC – on requests that are actively being worked, Ops/Logistics teams are entering in notes.
- Please send us an email at DMAOps@wisconsin.gov

Please do not enter PPE or Hand Sanitizer requests into the resource requests board on WebEOC.

The DMA Ops 3 mailbox is no longer being monitored.

Resource Provider/Vendor Inquiries/Donations Reminder

Please direct any vendors, donors, or manufacturers to the state's online platform for intake:

<https://covid19supplies.wi.gov/Donations>

At present only the following entities can request PPE from the SNS reserve utilizing the form submitted.

- Any entity licensed by DQA as a residential facility.
- All licensed or certified Adult Family Homes.
- Home Health, Personal Care and Supportive Home Care Providers caring for a COVID-19 positive patient in the patient's home.
- Participant hired providers caring for a COVID-19 positive patient in the patient's home (Applies to all Medicaid Long Term Care programs).
- Adult Protective Services providers responding to a home with a COVID-19 positive person in their home.

Unmet Needs

The current unmet needs are being routed through Operations and some identified unmet needs have fallen to task forces, which include Isolation Facilities, Contact Tracing/Surveillance, Specimen Collection/Lab Capacity, Surge, Mortuary Planning, Data Analysis, Community Resilience, PPE & Essential Supplies, Logistics, Future Operations, and Staff Augmentation.

State Agency Response Overview

DHS DHS staff developed a shift change briefing form for DHS team leads to use when transitioning on/off shift.

DHS staff reviewed SNS phase 1 and 2 data in order to determine that all 72 counties, and 10 of the 11 tribal nations have received shipments of PPE from the SNS. In total, over 950 different agencies have received SNS shipments.

VOAD Response

No new updates.

EOC Activations

Tribal Bad River Nation, Forest County Potawatomi, Lac Courte Oreilles, Lac du Flambeau, Menominee Nation, Oneida Nation

County Adams, Bayfield, Brown, Buffalo, Burnett, Calumet, Clark, Columbia, Crawford, Dane, Dodge, Douglas, Eau Claire, Florence, Fond du Lac, Forest, Grant, Green, Iowa, Iron, Jackson, Juneau, Kenosha, La Crosse, Lafayette, Langlade, Lincoln, Marathon, Marinette, Milwaukee, Monroe, Oconto, Oneida, Outagamie, Ozaukee, Pepin, Polk, Portage, Price, Racine, Richland, Rock, Rusk, Sauk, Sawyer, Shawano, Sheboygan, St. Croix, Taylor, Vernon, Vilas, Washburn, Waukesha, Waupaca, Waushara, Winnebago, Wood.

Emergencies Declared

Tribal Bad River Nation, Ho-Chunk Nation, Lac Courte Oreilles, Lac du Flambeau, Menominee Nation, Oneida Nation, Stockbridge-Munsee Band

County Adams, Ashland, Bayfield, Brown, Calumet, Chippewa, Clark, Columbia, Crawford, Dane, Dodge, Door, Douglas, Dunn, Eau Claire, Florence, Fond du Lac, Forest, Grant, Green, Green Lake, Iron, Jackson, Jefferson, Juneau, Kenosha, Kewaunee, La Crosse, Lafayette, Langlade, Lincoln, Manitowoc, Marathon, Menominee, Milwaukee, Monroe, Oconto, Oneida, Outagamie, Ozaukee, Pepin, Pierce, Polk, Portage, Price, Racine, Richland, Rock, Rusk, Sawyer, Shawano, Sheboygan, St. Croix, Taylor, Vernon, Vilas, Walworth, Washburn, Washington, Waukesha, Waupaca, Waushara.

Current Incident Objectives and Planning Activities

Isolation Facilities

- Operate isolation facilities in Madison and Milwaukee for 30 days and develop a transition plan for local operations.

Specimen Collection & Lab Capacity

- Engage public/private partnership to stand up alternate lab capacity at one location.
- Work with private and public sector partners to secure reagent supply.

Essential Workforce Child Care

- Stand up and maintain system to meet essential worker childcare needs.

Surge

- Support the local execution 1200-bed capacity in Milwaukee and 500-bed surge capacity in Madison to meet the demand of underserved populations.
- Assess and support local surge needs in other areas of the state, including rural areas.

Data Analytics

- Support the data analysis needs of the SEOC taskforces and develop a daily reporting strategy.

Contact Tracing / Surveillance

- Identify areas of highest need for contract tracing and deploy staff as necessary.

Logistics

- Establish facilities, technology, processes, and staffing to integrate acquisition, warehousing, and distribution of PPE and other essential supplies.

Future Ops

- Develop a plan to build community resilience in within 6 key sectors, including vulnerable populations, rural healthcare, and long-term care.
- Develop recommendations for potential long-term impacts, including behavioral and social changes, supply chain, and secondary or cascading threats.

Staff Augmentation

- Establish a database and process to match staffing needs to available resources.

Community Resilience

- Develop a plan to create community resilience in 6 key factors, including vulnerable populations, incarcerated populations, rural healthcare and long-term care.

Mortuary Affairs

- Develop plans for centralize decedent surge storage site(s).

State Emergency Operations Center (SEOC)

- Roll out SEOC staff surge team training by April 13.
- Complete third round of non-medical PPE distribution by April 15.
- Implement integrated Post SNS PPE allocation strategy by April 20.

Weather (Updated 4/12/2020 – 3:30 PM)

Snow will continue across roughly the northwest half of Wisconsin into Monday morning. Showers and a few storms are expected in the south later today into tonight. The rain will transition to snow over the south tonight, with a possible period of light freezing rain. The snow will be heavy at times over northern Wisconsin through tonight.

Snowfall storm totals of 6 to 14 inches are expected roughly from north of La Crosse to Rice Lake, Eau Claire Rhinelander and Eagle River. Here is a map of additional amounts for this evening into Monday morning.

Strong winds will develop tonight and persist into Monday evening. Frequent gusts of 35 to 45 mph can be expected. The winds will cause blowing snow and reduce visibility for travel and lead to power outages due to falling tree limbs. Temporary tents and shelters will be susceptible to wind damage. A Wind Advisory is in effect for portions of southern and eastern Wisconsin.

Lakeshore and bayshore flooding is expected in northeast and parts of east central Wisconsin: Immediate shoreline near Suamico and mouth of the Fox River in downtown Green Bay AND the immediate shoreline from Washington Island to Manitowoc this evening and tonight.

Uncertainty continues for snowfall amounts across southern Wisconsin along with the potential for a period of light icing or a wintry mix. Winter Storm Warnings and Winter Weather Advisories are in effect for all of Northern and parts of central Wisconsin.

River Flooding

Ongoing Minor flooding: portions of the Mississippi River, and the Wolf River at Shiocton. Periods of rain through tonight will cause some rivers to rise by early next week, mainly over southern WI.
